

NOVEMBER 23' RECAP:

2023 CHILI COOK-OFF

CHILI, MUSIC, COMMUNITY...

The participants of the 32nd annual chili cookoff gathered at the courthouse steps to partake in a beautiful fall evening of good food, music, and community fellowship.

SMALL TOWN, BIG FAMILY...

What separates a small town like Pulaski from the rest begins with our commitment to building strong community ties that connect local businesses and families together for times of celebration and happiness. The 32nd annual chili cookoff serves as evidence to this commitment and proof that our small town beats with a big heart.

UNTIL NEXT TIME...

If you missed out on participating this year, don't worry! The chili cookoff will return next year, bigger and better than ever. As the Christmas season approaches, keep on the lookout for information about upcoming Holiday events. Tell your friends; we hope to see you there!

Thank You!

We here at the Giles County Chamber of Commerce would like to express our most sincere thanks and gratitude towards all of the volunteers and participants that helped make the 32nd annual chili cookoff a resounding success!
